

Remarks

The present Amendment makes minor clarifying amendments to the Specification of the present patent application. More particularly, the Background Art section of the Specification has been amended to insert an application serial number for a referenced patent application. This amendment was made in response to a Notice to File Corrected Application Papers mailed by the Patent Office on September 30, 2010. It is respectfully submitted that no new matter has been added by the foregoing amendments. Additionally, it is respectfully requested that the Amendment be entered prior to the issuance of the present application.

Conclusion

It is not believed that any fees are required beyond those which may be otherwise provided for in the documents accompanying this paper. However, in the event that any fees are necessary to allow consideration of this paper, those fees are hereby authorized to be charged to Deposit Account No. 19-5029. If there are any issues which can be resolved by teleconference call or an Examiner's Amendment, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,
